

## Schulenburg EDC Business Beautification Grant Application Process

The Schulenburg Economic Development Corporation (EDC) is providing local business grants to qualified Schulenburg businesses. Qualifying applicants may receive grants to fund projects that enhance property and provide visual improvements to the exterior of their facilities.

Each year, the EDC will budget a limited amount of funding for this program. Applications will be accepted beginning October 1<sup>st</sup> of the fiscal year to Sept 1<sup>st</sup> of the following year. No application will be accepted after September 1<sup>st</sup> and will be considered on a first-come, first-serve basis, of which the Board of Directors reserves the right to fund or not fund any project. This program may be terminated at any time.

The EDC will match 50% of each project up to and not exceeding \$7,500.00. Grant monies will be limited to one project per location address once every three (3) years. Locations with one owner but multiple tenants will be considered as one location under this program.

### Qualifying Projects:

Signage	Landscaping	Exterior Painting
Building Facades	Parking Improvements Exterior	Exterior Lighting
Sidewalks	Awnings	

Each applicant is required to complete an application form provided by Schulenburg EDC. Applicants are requested to supply supporting information: description of project, bids and photographs **before** the work begins along with the completed application. **Applications must be received prior to commencement of work to be considered for a grant.** Successful applicants will be required to begin the approved project within 90 days of approval and have completed by September 15<sup>th</sup>. Copies of all invoices, receipts and other evidence of the project's cost(s) incurred will be submitted prior to disbursement of funds.

Applications may be submitted by email or delivered in person to:
